

# Dinosaur Isle - Sandown

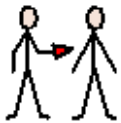

Dinosaur Isle is a museum of the dinosaurs of the Isle of Wight.

You can see life size models of some of the dinosaurs as well as the

dinosaur skeletons.

You can handle fossils and bones and there are lots of interactive

and hands-on activities.

You can visit the education room where there are lots of activities

available for groups.

There is a large gift shop and different activity sheets for you to

do around the museum.
